

## Specification Sheet UniTotes (UVT-ALC)

UniTote ALC's (attached lid containers) are suited for secure storage and transportation of industrial and commercial items. Ranging in volume from 28L to 80L containers, ALC's stack when full and nest when empty for most efficient storage. Unitotes can be used in conjunction with plug seals to provide a secure and tamper-evident storage solution. UniTotes can be customised with custom detailing, hot-foil markings, barcode and RFID tracking options. Available with an optional address labelholder.
